Rémy Prud'homme

Rémy Prud'homme studied at HEC (the top French business school), at the University of Paris and at Harvard. He has been a Professor of economics at the University of Paris XII, where he is now Professor emeritus, and also a frequent Visiting Professor at the MIT. He has worked at the OECD, as deputy-director of the Environment directorate; and as a regular consultant for a number of institutions, particularly the World Bank. His main interests are in public finance, transportation, and the environment. Additional information can be found on his site: www.rprudhomme.com
